

A LIMS BY ALLOWAY

Alloway's approach to laboratory information management systems (LIMS) is simple. Your LIMS should adapt to your laboratory – not the other way around. Forget complicated, expensive systems. Alloway's Oceanus LIMS is an affordable option for municipalities and small commercial laboratories. You receive a streamlined, intuitive, adaptable, and powerful LIMS – all without sacrificing ease of use.

Here's how Oceanus works:

FEATURES	BENEFITS
» Internet Explorer Based	» Reliable system » Loads quickly and does not get bogged down
» Includes 3 standard, concurrent licenses (more available)	» Just the right size for your laboratory » Grows with your staff
» Different access levels for administrators and users	» Secure system
» Configure Oceanus for the tests your facility runs » Set preferred units and analytes	» Adapted to your needs and tailored to your laboratory » Easily create, edit, and delete tests
» Pre-configured by Alloway staff	» Shortens the installation period
» Samples are assigned unique, sequential IDs with coordinating labels and bench sheets	» Tracks the sample throughout your laboratory
» Custom statuses update as the sample progresses from log-in to analysis to reporting	» Reduced turnaround time for analyses
» Incorporates chain of custody information: sample date, time, location, and sampler initials	» Creates an audit trail
» Generates customized queries	» Search the entire database and quickly find the data you want
» Enter data directly or use batches » Oceanus can interface with instruments	» Saves time and reduces transcription errors
» Run sophisticated calculations in Oceanus or auxiliary spreadsheets	» Eliminates calculation errors
» Set up fields according to permit limitations and Oceanus will automatically flag data that exceed limitations » Have an e-mail sent to key people	» Never miss violations » Pinpoint troublesome data and be proactive about solving problems
» Built-in quality control activities	» Defensible data output
» Includes 5 standard reports (more available with the custom report writer)	» Professional-looking reports » Data you want in the format you need
» Export data to compatible programs like Microsoft Excel and Operator 10	» Data flexibility » Synergy with existing programs
» Qualified training from Alloway » One year of continuous support	» Feel comfortable using your LIMS » Always have a resource to support you

Alloway guarantees that Oceanus is the best LIMS for you. We know what a LIMS needs to achieve, and we know that impersonal systems are not the answer. We are so confident in Oceanus that we use it in our own facilities. Contact Alloway to explore your LIMS options.

We will answer your questions and set up a free demonstration of Oceanus.
