Ms. Marcy Bolek
Alloway Marion Laboratory
1776 Marion-Waldo Rd.
Marion, OH 43301

Dear Ms. Bolek:

This letter is in regard to the on-site laboratory inspection conducted on April 12, 2016 by Jen Allen of the Ohio EPA Laboratory Certification Section of the completed 1776 Marion-Waldo Rd., Marion, OH 43301. The facility meets the minimum requirements of the Ohio EPA Drinking Water Laboratory Construction and Remodeling Checklist and complies with Rules 3745-89-03 and 3745-89-05 of the Ohio Administrative Code (OAC), and as such is acceptable to this office.

The laboratory has been approved to seek Ohio EPA drinking water certification for analysis of the following method(s):

Total Microcystins - ADDA (Ohio EPA DES 701.0)

Your laboratory identification number is 838.

If there are any questions, please call Jennifer Tom at (614) 644-4245 or email DWLabCert@epa.ohio.gov
